From

R. B. Karandikar, Esquire, B.A.,

Educational Inspector, S. D.

To

The Assistant Political Agent,

Savanur State .

Dharwar, 5<sup>th</sup> July 1911.

Sir,

I have the honour to forward for favour of perusal and record the Inspection Reports on the State - Primary schools at Savanur together with general report No. ( Ver ) 102 of 3rd December 1910 from the 7th Asstt. Deputy Educational Inspector, Dharwar, endorsed by the Deputy Educational Inspector, Dharwar, with his No. 717 of 28th June 1911 and to invite attention to the suggestions and recommendations of the Inspecting Officers.

2. I beg to invite attention to the Savanur -- Kanarese School No. I. Such a big school is always ---- placed in charge of a 3rd year trained man on pay of --- Rs. 45 and more . The Gadag Kanarese School No. I --- attended by <sup>244</sup> pupils is under a 3rd year trained teacher - on Rs. 60. The Karajagi School of 156 students in the neighbourhood is under a teacher on Rs. 45 ( 40+5 ), Mr. Oka, Head master Savanur, has been there over 10 years, - and the School seems to have prospered under him . He -- need not be disturbed . His pay is Rs. 30, and I learn he got an increment of Rs. 2 in April last . The maximum pay of the post as per sanctioned scale is Rs. 40, and as the master has already put in over 26 years service I should be happy to hear of his being given the ----, maximum pay of Rs. 40 in order that he may retire on full pension after good work of 30 years .

\* sch. no I Kan  
attends 320  
including 30 of the  
Dhedda class -

3. The 1st Asstt. in the Savanur Kanarese Boys' School is a 3rd year trained man with a certificate of Rs. 25 . He is entitled to the face-value of his certificate as his compeers got the same in British District from 1st April 1909. His claims were recognised and -- reported by the Political Agent to the Commissioner in his No. 9393 of December 1910. He is the only superior trained man in that school . He is not willing to ---- remain there on a smaller pay than Rs. 25 . The maximum pay of the post in the sanctioned scale is Rs . 30 . It would be a pity to deprive the school of his services, - and I should suggest that he might be given R . 26 = R - grade in the scale and retained there. If this be not possible he may be given his due of Rs. 25 from 1st --- April 1909, and referred to me early in August next for employment in the Local Board from 1st September .

The Urdu boys' School also requires attention. The population of Savanur is over 9000 and about 5000 are Mahomedans . The Urdu School should be a more prosperous or an equally prosperous school . Even supposing the Mahomedan boys elect to learn Kanarese in the higher standards, there ought to be about 300 boys in the first three or four standards . This is possible, if the School is placed under a competent man. I have two such men in view, but their pay is Rs. 35 and 30 . Any one of them can be lent to Savanur School on pay of Rs. 40 but not less . I am unwilling to lend the State a third rate man on small pay . The matter may be duly considered .

I have the honour to be,

Sir,

Your most obedient Servant,

*A. B. Karandkar*

Educational Inspector,

Forwarded to the Director of  
Lancashire & personal & relevant

(2). The view of Mr. Oke's services -  
undoubtedly think that as a special case  
he might be given extraordinary promotion  
of 2 or 3 grades - so as to enable him  
to draw full pension when he retires. His  
work appears to have been quite satisfactory.

(3). It is most desirable that the services  
of the 3<sup>rd</sup> year trained 1<sup>st</sup> Asst. should be  
retained. This apparently can be done by giving  
him extraordinary promotion of 2 or 3 grades so  
as to bring his pay up to Rs. 26.

(4). As regards the Gordon Chubb school  
undoubtedly agree in principle with the  
Educational Director, but it is a  
question of funds -

2) The services of Mr Oke may be retained

He has done good work in the past. The present condition of the school is due to his efficiency.

He has put in nearly 27 years service & has still 3 years to put in before he can be entitled to pension equal to half pay. Unless he draws

R 40 <sup>per m.</sup> <sup>Ann. nro.</sup> he cannot obtain pension, under the rules, equal to half his ~~pay~~ <sup>maximum pay</sup> viz R 40.

He is in charge of the other village schools & does a deacy ~~work~~ <sup>work</sup>.

As a special case, he may be given an extraordinary promotion equal to R 40 p. m. (as per his letter enclosed).  
The maximum pay of the post

3) He works under which the 2nd Mr. Lamed, 1st assistant (Mr. Anam) is willing to continue in state service. All that

(a) Lashed be given pay at the rate

of P. 25. Jan. The 1st of April 1909

(b) he shd be given P. 26 p. h. in the present.

(c) he shd be given promotion equal to that which teachers of his standing may get in the Local Boards either in the ordinary course according to the Code or as a special case for work or otherwise

As regards (a) the revised scale sanctioned by the Commission S. D. was brought into force from the 1st of April 1910 & therefore retrospective effect cannot be given in the case of this teacher. The Commission S. D. may ~~have~~ have to be asked to sanction this as a special case

As regards (b) it may be noted that teachers of his standing get only P. 25 p. h. in the Local Boards

As regards (c) it seems impossible to satisfy this condition. He shall have

to be given promotion, although his  
work is not satisfactory, as soon  
as a man of his status is given  
promotion <sup>in the local board</sup> for specially satisfactory  
work. The N. G. may be  
installed in the ~~board~~ in the near  
future & he cannot be blamed  
for this condition.

This teacher asks that he  
may be allowed to revert to his  
post in the Local Board, if it be  
impossible to retain him subject  
to these conditions (Vide his letter enclosed)

If he is allowed to revert,  
there are equally competent men in  
the school holding 2nd year certificates  
& more senior, <sup>to</sup> who fill up his post,  
by giving proper promotions.

4) As regards the Devon School  
the present arrangements may be

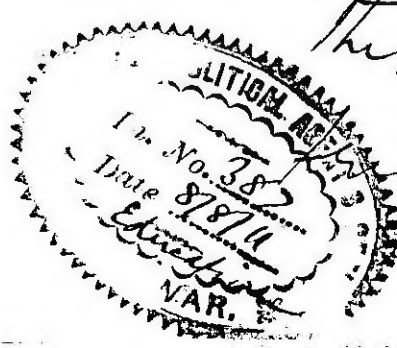

revised. Action will be taken as the inspection reports  
when these matters are confirmed.

Please return

No 432 of 1911.

Forwarded with compliments to  
the Political Agent - D. Lamer.

(2). Undersigned agrees that K. Oke's  
services should be retained & that he  
should be given special promotion to  
Rs. 40 p.m. as proposed by the Division.  
His work at Sawan has been good  
& he fully deserves the proposed  
consideration.

(3). As regards M. Arani, undersigned  
sees the force of the Educational  
Inspector's remarks. But, it is  
impossible to accept the conditions  
which M. Arani wishes to place to  
impose upon us. We cannot bind  
the as follows action of the District.

Further to comply with these conditions  
would mean meddling with the scheme  
of revised pay for the educational  
staff of the State which has only  
recently been sanctioned by the  
Commissioner S. P. Under these  
circumstances he had better revert  
to the local board service. The  
Division appears to be satisfied that  
there are capable men to take his  
place.

Please return. 8/8/11. W.D. Lamer.
